## Sonnys restaurant purcell ok

Sunny's have been serving the largest, best tasting, tenderest fried chicken fillet for a long time. The first time I had their Chicken Fry was when they were located in Wayne, OK. The steak is bigger than a regular dinner plate! Besides, the sauce they make is top notch! This is one of the few restaurants that is still making its royal potato mash, and you can tell. Your fried okra is great. My mom likes her frog legs. Because he's diabetic, he always asks them to skip it without the empanado. There's never been a problem with the cook in this. Anywhere else serving frog legs can't make it the way you like it. Other places won't wash the empanado and only know how to fry frog legs. Our cousin was with us last time, and she ordered chicken strips. It was also a big order. She had enough to take home and have two more meals. We had no problem with the service on a busy day of the week, lunchtime. During this time of social estating and shelter at home, it is important not only to stay informed, but to stay inspired. My wife had catfish dinner -- certain days is all you can eat -- and she loved it. The highlights were the corn fritters that came... with his food. Homemade salad was good as well. Apparently the waiting staff does some of the side dishes, which we can say, they really know what they are doing. He had a fried chicken fillet with mashed potatoes, and fried okra. Steak and mashed potatoes were suffocated in delicious, creamy, sauce-. The highlight of the fried chicken fillet was how incredibly crunchy it was - I'm not sure how they got that level of crispy breading there. The fresh rolls were great. A real highlight of the experience was the waitress, who was energetic, helpful and fun. I wish I could remember his name! This place is a little off I-35 (5 minutes), but if you're really hungry for some home cooking, it's worth the detour. More Closed2.22 Miles Claim This business is your business?
